

Monash HELP Workshop 2023

[REGISTER](#) by November 24th

The Applied Micro Group in the [Department of Economics](#) at Monash University is pleased to host the inaugural HELP (Health/Education/Labour/Public) workshop. This workshop will feature 11 presentations and a keynote lecture on policy-relevant work in the subfields of Health, Education, Labour, and Public Economics with an emphasis on work that utilises large administrative datasets.

When: December 11th 9am- 5pm & December 12th 9am-12:30pm

Where: Monash University Sky room, Level 14, 30 Collins St. Melbourne, VIC 3000

Getting to the venue: The Sky room at 30 Collins Street is located at the top end of Melbourne CBD close to Parliament station, and tram routes 11, 12 and 109 run along Collins Street and are free of charge in this zone.

Parking: There is discounted parking for \$18/day at First Parking, 28 Flinders Lane. Users will be required to collect a ticket upon entry to the car park and present either to security (ground floor) or Monash Conference Centre (MCC) staff (level 7 or 11) for validation.

Lodging: The listed hotels are within walking distance of the workshop venue.

[DoubleTree By Hilton Flinders Street](#), [Laneways by Ovolo](#), [Holiday Inn Express Melbourne Southbank](#)

If you have any **questions** about the workshop please contact Stefanie Fischer at stefanie.fischer@monash.edu.
